Re: Perry v. Caruso, et al.  
08-CV-1115 (BMC) (LB)

Dear Clerk:

I am writing to request a copy of the conference hearing transcript dated February 21, 2008. I am a pauper who cannot pay for the transcript.

The hearing transcript is very much needed for appeal purposes in the matters Perry v. Fischer 08-CV-602 and Perry v. Gord, 06-CV-828. In each of these actions, decisions were based upon erroneous factual finding in the above-reference case.

I respectfully request that a copy of this transcript is forwarded to me.

Respectfully Submitted,

Kareem S. Perry

Motion denied without prejudice to renewal upon identification of the appeal to which plaintiff is referring, and a showing of why this transcript would be helpful to that appeal. The Court notes that the appeal is from some other case or cases, presumably of judgments entered in the Southern District of New York, not the instant case, so it is not apparent why a transcript in this case would be relevant to some other case.  
SO ORDERED: 4/7/10
